ABOUT KAVS

KAVS SPEC TECH is a multidisciplinary company delivering end-to-end turnkey solutions for Pharmaceutical, Biopharmaceutical, Healthcare and Laboratory facilities.

From concept to commissioning, we combine engineering excellence, regulatory expertise and execution capabilities to build world-class manufacturing environments that are future-ready and compliance-driven.

WHY KAVS?

TURNKEY EPCM SOLUTIONS

Single point responsibility from design to commissioning.

IN-HOUSE MANUFACTURING

State-of-the-art manufacturing for cleanrooms & process equipment.

ENGINEERING & DESIGN EXCELLENCE

Integrated engineering with advanced tools and BIM capabilities.

GLOBAL PROJECT EXPERIENCE

Successfully executed projects across India, Middle East, Africa & Europe.

GMP & REGULATORY EXPERTISE

Deep understanding of global standards and compliance.

VALIDATION & QUALIFICATION

End-to-end validation including DQ, IQ, OQ, PQ, CSV & more.

TECHNOLOGY TRANSFER

Lab scale to commercial manufacturing with complete documentation support.

INDUSTRIES WE SERVE

We deliver specialized solutions across a wide range of industries with a strong focus on quality, compliance and operational efficiency.

PHARMACEUTICALS

BIOPHARMACEUTICALS

BIOTECHNOLOGY

HOSPITALS

LABORATORIES

NUTRACEUTICALS

WAREHOUSING AND LOGISTICS

HEALTHCARE INFRASTRUCTURE

OUR COMMITMENT:

Engineering excellence. On-time delivery.
Built for today. Ready for tomorrow.

END-TO-END ENGINEERING SOLUTIONS

We deliver integrated, innovative and reliable solutions across the entire project lifecycle – from concept to commissioning and beyond.

01

EPCM & TURNKEY PROJECTS

- Concept & Feasibility
- Design & Engineering
- Procurement & Construction
- Commissioning & Handover

02

CLEANROOMS & HVAC SOLUTIONS

- Cleanroom Design & Build
- HVAC System Design & Execution
- AHU & Air Distribution
- Cleanroom Panels & Accessories
- Qualification & Validation

03

PROCESS EQUIPMENT & CONTAINMENT SOLUTIONS

- Isolators (Rigid & Flexible)
- Stainless Steel Furniture & Equipment
- Cleanroom & Containment Equipment
- Process Machinery Solutions

04

ENGINEERING & CONSULTANCY

- Master Planning
- Basic & Detailed Engineering
- Project Management Consultancy
- Risk Assessment & Compliance
- URS & System Interface Design

05

VALIDATION & COMPLIANCE

- DQ, IQ, OQ, PQ
- CSV & Process Validation
- FAT / SAT
- Impact Assessment
- Regulatory Compliance (GMP, FDA, WHO)

06

TECHNOLOGY TRANSFER

- Lab Scale to Commercial Scale
- Pilot & Validation Batches
- Documentation & Dossier Support
- Regulatory Submission Assistance
- End-to-End Tech Transfer Support

EXPERTISE ACROSS

API

INJECTABLES

OSD

LVP / SVP

VACCINES & BIOLOGICS

BSL LABS

BLOOD PLASMA

COLD ROOMS

WAREHOUSING & LOGISTICS

HOSPITALS & HEALTHCARE

OUR PROMISE

Quality, Compliance, Innovation,
Delivered On Time. Every Time.

We build facilities that drive better outcomes,
ensure **safety**, and enable you to **grow**.

TRUSTED ENGINEERING PARTNER ACROSS CONTINENTS

SELECTED PROJECTS

Successfully executed and ongoing projects across India, Middle East, Africa & Europe.

OUR GROUP COMPANIES

Premium Goat Plasma
& Serum Solutions

**JOYLISH
FARMDALE LLP**

Herbal Wellness,
Cosmetics & Food
Innovations

Cleanroom &
High-Containment
Engineering Solutions
